Title	{SE-Advisor}
Publication Type	Conference Paper
Year of Publication	2008
Authors	Rilling, J. [4], P. Schuegerl [5], P. Charland [6], and R. Witte [7]
Refereed Designation	Refereed
Conference Name	CASCON 2008 Technical Showcase
Date Published	October 27–30
Conference Location	Richmond Hill, Ontario, Canada
Type of Work	Poster
Abstract	The SE-ADVISOR tool presents a novel approach to support software evolution, by integrating maintenance relevant knowledge resources, processes, and their constituents. We demonstrate how our SE-ADVISOR environment can provide contextual guidance during typical maintenance tasks through the use of ontological queries and reasoning services.
