Timezone: America/Montreal

Third GATE Training Course and Developer Sprint, August 30th-September 3rd 2010, Montreal, Canada

The third GATE training course and developer sprint will take place at Concordia University in Montreal, Canada, from August 30th to September 3rd 2010. September's event will follow the format of May's course, but with the addition of a new training track covering linked data and ontologies.

- Track 1: Introduction to GATE and Text Mining
- Track 2: Programming in GATE
- Track 3: Advanced GATE
- Track 4: Linked Data and Ontologies
- Track 5: GATE Contributors' Sprint
