The IEEE 25th International Conference on Advanced Information Networking and Applications (AINA-2011)

Biopolis, Singapore, March 22 - 25, 2011

<http://aina2011.i2r.a-star.edu.sg>

Sponsored by IEEE Technical Committee on Distributed Processing (TCDP)

As one of the most important international conferences sponsored by the TCDP of the IEEE Computer Society, the International Conference on Advanced Information Networking and Applications (AINA-2011) will be held in Singapore, on March 22-25, 2011. The conference covers theory, design and application of computer networks and distributed computing systems. Aside from the regular presentations, the conference will include keynote addresses with speakers from both industry and academia. The AINA-2011 seeks original contributions in all relevant areas, including but not limited to the following topics:
