NLDB 2009 Deadline (2nd Extended)

Submitted by witte on Sat, 2009-01-31 10:53

- deadline
- extended
- nldb 2009
- paper

Start: 2009-03-31
Timezone: America/Montreal

14th International Conference on
Applications of Natural Language to Information Systems
http://nldb.org

June 23-26, 2009, Saarland University, Saarbrücken, Germany

Second Extended deadline:
March 31, 2009

Since 1995, the NLDB conference, with high impact factor, has aimed at bringing together researchers, industrials and potential users interested in various applications of Natural Language in the Web and database driven information systems area.
