Graduate Student Symposium

May 5th, 2014

Montréal, Québec, Canada

<https://sites.google.com/site/caigradstudsymposium/>

The 27th Canadian Conference on Artificial Intelligence invites PhD students to submit extended abstracts of their thesis of up to 6 pages for possible inclusion in the AI2014 Graduate Student Symposium and the Canadian AI proceedings published by Springer. The Symposium provides an opportunity for PhD students to discuss and explore their research interests and career objectives with their peers and with a panel of established researchers in Artificial Intelligence, helping to develop a supportive community of scholars and a spirit of collaborative research.
