COMPSAC 2014
http://compsac.cs.iastate.edu/

Act Now – Papers are being accepted until 7 February for the 38th Annual IEEE International Computers, Software, and Applications Conference (COMPSAC), which will take place in Västerås, Sweden from 21–25 July 2014.

COMPSAC, one of IEEE Computer Society's premiere conferences, provides an international forum to network with academic, industry, and government computing professionals from around the world.

The theme of this year's conference is The Integration of Heterogeneous and Mobile Services in Smart Environments. Authors are invited to submit original, unpublished research work, as well as industrial practice reports. Although the abstract deadline has already passed, full papers are being accepted until 7 February 2014.

Suitable subjects for papers include:
* Emergent Topics
* Software Engineering
* Networking
* Web Technologies
* Security and Privacy
* Quality Assurance and Assessment, and
* Embedded and Cyber-Physical Environments.
