The European Language Resources Association is happy to invite you to participate in the 13th Edition of its Language Resources and Evaluation Conference.

The Conference, Workshops and Tutorials will be held at the Palais du Pharo during the week of 20 to 25 June 2022.

Main Conference: 21-22-23 June 2022
Workshops and Tutorials: 20-24-25 June 2022

LREC is the major event on Language Resources (LRs) and Evaluation for Human Language Technologies (HLT). LREC aims to provide an overview of the state-of-the-art, explore new R&D directions and emerging trends, exchange information regarding LRs and their applications, evaluation methodologies and tools, on-going and planned activities, industrial uses and needs, requirements coming from e-science and e-society, with respect to both scientific/technological issues as well as policy and organisational ones.

LREC provides a unique forum for researchers, industrials and funding agencies from across a wide spectrum of areas to discuss issues and opportunities, find new synergies and promote initiatives for international cooperation, in support of investigations in language sciences, progress in language technologies (LT) and development of corresponding products, services and applications, and standards.
